

MOBILE RIGGING LOFTS

Franklin Offshore Australia Pty Ltd has both 10ft and 20ft Onshore and Offshore rated Mobile Rigging Loft available for hire. Rigging Lofts can be supplied with or without associated rigging.

The inventory of rigging supplied with the loft can be altered to accommodate any requirements and comes complete with certificate register of rigging supplied.

All containers are fitted with the following options

- Counter for the issue and receipt of equipment.
- Work bench complete with vice.
- Register of lifting equipment.
- Lighting and power (if required) in compliance with offshore safety regulations.
